From Craig...

Wendy: do you want me to do some reformatting, etc. in combining your piece with Craig's or should I leave that to you?

Valois: are you on track for providing an overview of comments we received from any WY ISR industry folks or operators on our DB permits?

Thanks,

Douglas

Douglas,

Got your text. Couldn't read it. They fixed my better eye so I've got 1-3 days of vision recovery with that eye. My right is terrible, but that "part" didn't come in; hopefully, next Monday. I needed help to do this email and read the text. I will check in a couple of more hours to see if I can see. Right now we are taking apart my glasses to take the left lens out to see if I can do stuff.
